## 30" x 10" Rectangular Oil Rubbed Bronze Drop-In Pan with Match Light Kit - Natural Gas

Who can resist a nice, big, outdoor fire? Add some close friends and/or family to the mix and you've got a night to remember! Some people think setting up such a fire in their fire pit will be a daunting task, but that's simply not true. Now your customers can easily organize their own DIY fire display with our 30" x 10" rectangular drop-in pan with match light kit (natural gas). Our match light kit offers a quick and simple method to help your customers create an amazing fire display in their outdoor fire pit.

Enjoy the deep and rich texture of Oil Rubbed Bronze while softly complimenting any outdoor decor theme.

The beautiful finish starts with a proprietary coating process that is then hand sanded and finished by our artisans. Because each piece is hand finished, the depth of color and texture will vary; each piece is truly a work of art.

Like any other American fire glass collection, all items in the Oil Rubbed Bronze collection are made from high quality stainless steel. Fire Pit Pan Covers are made to compliment and protect their matching drop-in pan units. We strongly recommend that you consider protecting your fire feature investment with our beautiful new Oil Rubbed Bronze Fire Pit Pan Cover.

Our 30" x 10" rectangular drop-in pan with match light kit (natural gas) comes fully equipped with all the following components:

**30" x 10" Rectangular Oil Rubbed Bronze Drop-in Burner Pan w/ Built-in H-Burner** - Our 30" x 10" rectangular drop-in burner pan comes with a convenient 'lip' so that it can be installed into a fire pit and easily removed after use. These burner pans greatly reduce the amount of fire glass your customers will need to fill their fire pit by creating a false bottom which gives the illusion that

the fire pit is full, whereas only the top part of it is. All our rectangular drop-in burner pans are made of 100% stainless steel, which means they are very durable and can withstand extreme heat as well as harsh weather without sustaining any damage or rusting. Each comes with a built-in H-burner and drilled weep holes to prevent water accumulation.

**34" Quiet-Flex Gas Line-** with safety shut-off valve and required fittings

**30" x 10" Rectangular Oil Rubbed Bronze Drop-In Pan with Match Light Kit - Natural Gas Specifications**
