## 48" x 24" Rectangular Stainless Steel Flat Pan with Spark Ignition Kit - Natural Gas

A warm, cozy fire pit can be an ideal outdoor retreat for family and friends, especially during those cold winter months. Our 48" x 24" rectangular flat burner pan with spark ignition kit (natural gas) is just what your customers will need to organize such an event. With just the flip of a switch, your customers and their guests will be enjoying a brilliant flame and lots of memorable conversations!

Our 48" x 24" rectangular flat pan with spark ignition kit (natural gas) comes fully equipped with all the following components:

**48" x 24" Rectangular Flat Burner Pan** - Our flat pans provide an easy and efficient solution to the problem of building a fire pit. Our product drastically reduces the traditional amount of materials needed to build a fire pit. Instead, our flat pans can be delivered right to your door, saving you time, money and effort. With our flat pans, you can create a beautiful fire pit without the hassle and inconvenience of traditional methods.

**32" x 8" H-Burner** - We also include an 32" x 8" H-Burner so there is no need to buy any additional parts. The 32" H-Burner is rated 128,000 Btu and is made from 304 stainless steel. Our high quality 32" H-Burner is designed to delight all onlookers with its amazing flame. The H-Burner increases the overall diameter of the burner, allowing for a truly realistic and evenly distributed flame. Furthermore, the burner holes have been drilled, not punched, which means no whistling noises are produced. Our burner also comes with a convenient ½ inch gas inlet for easy connection to a natural or propane gas supply.

**A Push Button Spark ignitor** - battery included and ignites with the push of a button

**Fire Pit Connection Accessories** - including gas hose (5' and 5'), chrome key valve with key.

**Optional Accessory - [Push Button Ignitor Mounting Plate](#) for mounting your key valve and your push button for the spark ignitor.**
