FLAT BLACK KEY VALVE: This Flat Black Key Valve is the perfect way to control gas coming into your outdoor or indoor fire pit or fireplace. It includes a decorative Flat Black wall plate and 3" Flat Black gas key.

CONTROL FLAME HEIGHT: Key valves are used to provide the end user the ability to adjust the burner flame to the desired height and as a secondary means of shut-off.

NATURAL GAS OR PROPANE: This key valve is for natural gas or propane fire features. Thoughtfully designed and easy to modify or adapt to your specific needs. The flange fits in the hole perfectly and works like a charm.

SAFE & EASY TO USE: The shut-off valve ensures your safety while enjoying a fire. Our key valve allows you to simply turn the key to control your fire. It sits nicely and flush into the side table and adds a professional look.

PROP 65 WARNING: This product may contain compounds known to the state of California to cause cancer, birth defects, or other reproductive harm.
